# Jesus Enters Jerusalem

Jesus sent 2 of His disciples  
to a village to find a donkey and her colt.

Find the correct path to the donkeys.

A maze activity for children. At the top left, Jesus is shown pointing towards two disciples. The path leads through a landscape with a tree and a house. The path then turns and leads to a sun. From the sun, the path leads to another house. Finally, the path leads to two donkeys, one standing and one lying down.

The disciples did as Jesus had instructed them. They brought the donkey and the colt and placed their cloaks on them for Jesus to sit on.

Match the shapes.

A very large crowd spread their cloaks on the road, while others cut branches from the trees and spread them on the road.
